If if fulls in any case the meney will be refunded. It is almost impossible to break off from the use of tobaco by the mere exercise of the will. Something is needed to assist nature in overcom. ing a habit so firmly rooted; with the help of the Preparation there is not the least trouble. Hundreds have used it who are willing to bear witness to the fact that Or ton's Preparation completely destroys the appetite for tobacco and leaves, the person as free from any disire for it as before he commenced its use. It is perfectly sate and harmless in all cases. The Preparation acts directly upon the same glands and secretions affected by tobacco, and through these upon the blood, thoroughly cleaning the poison of tobacco from the system, an thus allaying the unuatural cravings for tobacco. No more hankering for tobacco after using
